@PCAthletics4

Welcome to PortCity Athletics.

With this packet, it is our goal to provide families with costs and expectations for the 2018-2019 season.

We require that every child and their parent/guardian review all aspects of this packet thoroughly, and ask any questions prior to signing the acknowledgements.

The following items need to be completed and returned as follows:

**At TryOuts: Registration Form
Liability Waiver
Copy of Birth Certificate**

**First Practice: Financial Obligation Agreement
& Payment Authorization Form
Parent Meeting: PCA Packet Agreement**

You will not be allowed to participate in any classes, practices, camps, clinics or choreography sessions until these items are returned with the proper signatures.

TEAM PLACEMENTS:

Once teams are selected, results will be emailed. Each teams' USASF Level will be determined by the coaching staff, and we will try to match the overall level of each athlete the best we can. Please trust the judgement of our coaches for what is best for your child for a competitive, yet rewarding season.

Refer to the table below for information on the various requirement aspects of team placements.

We will follow all USASF guidelines, using the age of the athlete as of August 31st (Dec 31st for Open Level).

| | |
|----------|---|
| Age | Your child will be placed on an age appropriate team. Provided all skill levels are the same, they will be placed on the lowest possible age team, and then given the opportunity to cross-over to an older team provided they can meet all the requirements for the older team as well. |
| Tumbling | Team placement will be based on both difficulty and technique. Your child must have the minimum standing AND running tumbling difficulty, with proper technique. |
| Building | Your child must earn their stunt position on each team. PCA will not guarantee any child a specific position, and coaches will determine the best athletes for each position (flyer, base, backspot, front). All athletes must be able to "stunt" at their team level to maintain a position on their team. |
| Mental | Your child is expected to keep up with the pace of their team's choreography and practices, along with skill progressions. Athletes who are unable to keep the pace will be moved to a lower skill or age level team, regardless of them having all of the tumbling or building level requirements for the level team they are currently on. |
| Skill | Your child is required to meet the High range for their team's skill level. If at any point in the season your child is lacking in any area, they will be required to enroll in additional classes to obtain those skills. Evaluations will determine when they have acquired the necessary skill and are no longer required to take classes. Any athlete not meeting their team-level requirements for skills will be moved to a lower level team. |

MANDATORY PARENT MEETING:

Informational parent meetings will be held for each team following placements, where all aspects of our program will be covered in detail. Meeting dates and times will be provided with the tryout results and practice schedules. These meetings are MANDATORY and no child will be allowed to participate in practices without a parent attending. It is important to us that everyone understands all aspects of our program. All parents will be required to sign the PCA Packet Agreement at the conclusion of the meeting, a copy of which is included in Appendix II.

Used sneakers must be in good condition and free of visible wear such as rips, stains, etc. Please note that cheer sneakers are designed to last for one competition season/year. PCA staff reserves the right to require new sneakers if used ones do not meet team guidelines.

PCA has a gym-program with Nfinity – and sneakers or other products can be ordered at a discount online directly with Nfinity at <https://fs30.formsite.com/ceidson/form72/index.html>.

Backpacks:

PCA Branded backpacks will be available for purchase. While standard Nfinity bags can be ordered through the link above, all branded bags must be purchased through the gym's ProShop.

Travel:

All families at PortCity Athletics are responsible for their own transportation, tolls, parking, airfare, hotel costs, etc. for all competitions. PCA will provide room blocks and special pricing when available, with instructions to each team on how to secure these discounts. Please remember that booking airfare in a timely fashion can greatly reduce your travel expenses, but will not be reimbursed by PCA if it needs to be cancelled for any reason. Many of the competitions are within driving distance, but many families will choose to stay overnight to avoid commuting or early morning/late night driving.

PortCity Athletics reserves the right to move a child from one team to another at any point in the season. PCA is not responsible for reimbursement of any travel arrangements if your child is moved from one team to another, or removed from the program entirely.

Specialty Classes & Clinics:

PortCity Athletics will provide specialty classes and clinics throughout the year. Spots in specialty classes and clinics will be limited to keep proper instructor/athlete ratios, and offered on a first-come-first-served basis. Please refer to our Facebook page or gym postings for class offerings, rates, and athlete discounts.

Crossovers:

Athletes who choose to cross-over from one team to another will have additional charges associated with choreography, music, competition fees and uniforms. Please indicate on your information page if your child has an interest in being a crossover, understanding that there is a higher financial and physical commitment. Teams that utilize crossovers will be determined by the PCA staff on a very select basis.

D2 SUMMIT and/or US FINALS:

All PCA teams who receive bids to the D2 Summit or US Finals will attend these prestigious end-of-year events, held in May of each year. Additional costs will include (but are not limited to) registration fees, coaches travel fees, competition specific t-shirt and bow, etc. Information on costs will be provided as soon as calculated after a bid is received, and will depend on the level of the bid.

REFUNDS:

Any payments for uniforms, competition fees, tuition, camps, clinics, choreography, music, etc. are non-refundable. If your child decides to leave the program or is asked to leave the program, you will not be reimbursed for any deposits or payments already made, and you will lose rights to any garments that you have paid for or put a deposit on. Any outstanding invoices for the time your athlete was a part of the program will remain due and collectable.

FUNDRAISING:

PortCity Booster Club is a parent-run 501(c)3 organization created for the sole purpose of supporting the athletes of PCA. As an athlete of any PCA team, you are automatically a member of the PortCity Booster Club, and participation in gym-wide fundraising events will be mandatory. Parent participation is needed, and we welcome you to reach out to portcityboosterclub@yahoo.com for more information.

Sponsorships:

Through the Booster Club, PortCity Athletics will allow athletes to obtain personal or corporate sponsors to help cover any and all costs for the season. An approved sponsorship request form will be provided by the booster club, and should not be altered in any way. 100% of all sponsorships received will be applied directly to the athlete's lump-sum installments first, then monthly fees.

There will be NO outside fundraising by athletes separate from the booster organization, unless agreed upon in writing between individual athletes, PortCity Athletics, and the PortCity Booster Club.

PRACTICE SCHEDULES:

Summer schedules will run from June 4th to August 31st. During this time, all teams will practice once a week on weeknights.

Team specific "skillz & drillz" camps will be held during select week days in July. Specific dates per team will be released at the parent meeting.

Regular season schedules will begin as of September 4th. Each team will include at least one (two for Full Travel teams) practice per week. All practices will be between 1 and 3 hours long, and additional practices may be added prior to competitions as needed. Practices will typically be held on Sundays and/or Mon-Thurs evenings.

ABSENTEE POLICY:

To ensure that all athletes participate with the same level of commitment, your child is required to be at every practice, class, choreography session, special event, etc. They MUST attend ALL of their team's competitions. PortCity Athletics reserves the right to remove any child from a team, move them to another team, or make them a reserve athlete due to excessive absences. Absences need to be reported to your coach directly as soon as possible – not through other parents, athletes, etc.

Summer practice attendance is important for skill building, but we do want families to be able to enjoy the short summers here in Maine. Your child will be allowed to miss two (2) practices during the summer, and we ask that you provide those dates to your coaches at the beginning of the summer so they can plan accordingly.

Regular season practice is mandatory. You will receive two (2) unexcused absences during the season, but they will not be granted during the week prior to a competition. Once your two unexcused absences have been used, you will be notified, and any further unexcused absences may result in removal from the team.

Excused absences include sickness with a doctor's note, death in your immediate family, school events that result in a grade (with a note from the school explaining), etc. Unexcused absences include items such as school functions, family trips, etc. and are used at your discretion.

Please initial the "Absentee Policy" section on the PCA Handbook Agreement form.

Read and be familiar with each item in its entirety.

- Do not call out the day of practice unless there is an unexpected emergency.
- Even if you are ill, you are expected to be at practices. If you are very sick (flu, etc) then we encourage you to use one of your unexcused absences or obtain a doctor's note.
- If your child is not able to fulfill their time obligation to their team, PCA reserves the right to remove them from the team, put them on another team, or list them as an alternate.

Team Placements/Skill Levels:

- You agree to the PCA team placement protocols and guidelines on how specific positions within the team are determined, trusting in the judgement of our coaches for what is best for your child for a competitive, yet rewarding season.
- Quitting the program because an athlete is moved or does not earn a specific skill and/or choreography position within the team does not relieve the athlete or family from their financial obligations to PCA.

- PCA reserves the right to name alternates to any team in the program at any time during the season. An athlete can be named as an alternate at tryouts, or can become one during the year. Any child that is an alternate is required to pay the monthly base tuition and necessary fees.

Dress Code:

- At competitions athletes must be dressed in the competition uniform dress code which can include PCA gear, uniform, and/or warmups. Athletic clothing only – no street clothes allowed.

- All athletes are to keep their fingernails short and blunt, with no sharp edges.

PortCity Athletics Clothing/Apparel:

- No one may use the PortCity Athletics name or logo for any clothing, novelties, or any other use unless authorized in writing by an owner.
- Any items that are distributed to any PCA athletes, where money is being collected, must be authorized and handled by the PCA pro-shop, unless approved by an owner in advance.
- Anything created without approval will not be acceptable and can not be worn in the PCA gym, to any competitions, or to any PCA activities.

Health:

- You must provide PCA with your current health insurance and emergency contact information. If any of this information changes during the season, you must notify us immediately.
- You MUST inform PortCity Athletics of ANY medical condition that may limit or prevent participation in any PCA activity.
- You must provide PCA with a list of medications your child is currently taking or may need to take, along with a list of any allergies they may have.
- All athletes must refrain from the use of illegal drugs, alcohol, tobacco or any other harmful substances.
- You must immediately notify PortCity Athletics of any injury sustained as a result of a PCA activity, and assist to complete any needed reporting forms.
- If your child is seen by a medical professional due to an injury sustained, or unable to participate due to an injury, a physician's note must be provided to staff and include the specific diagnosis for the injury and the duration of time that participation is limited, or clearing the athlete for full participation.
- PCA reserves the right to list an injured athlete as a reserve, move them to another team, or release them from the program depending on the severity of the injury and duration of healing. - Any child/cheerleader who engages in ANY ILLEGAL activity will be immediately removed from the PCA program. This includes, but is not limited to, any alcohol or drug use, stealing, etc.
- All families must book their travel arrangements in a timely fashion, adhering to all housing deadlines. However, no travel should be booked until the competition schedule has been provided and confirmed by your coach, as travel arrangements must be made around your team's practice schedule.

PCA owners and coaches will coordinate Facebook pages and/or message feeds for each team and will only invite/add acceptable individuals. This way the coaches can communicate daily with you and your child. Information will be posted to our website as well.

In regards to social media, we ask all parents and children to follow our social media policies and adhere to all rules. Social media can be a great way to motivate kids, show support of your team and gym, congratulate other programs, show new skills gained, etc. It is NOT a venue to air complaints, negative comments or opinions, or attempt to deal with perceived issues. If you have any questions, please ask before posting. We have a NO TOLERANCE policy. These rules apply to parents, athletes, coaches, staff, and owners.
